

## IV Gravity Sets

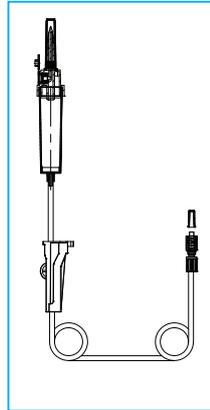

- IV Gravity Sets with air vents and 15µm filters
- Available with 3-way connector and extension tubing
- Needle free access ports as optional extras
- Flow dial regulator (mL/hr) variants
- Burette Set range

## IV Gravity Sets

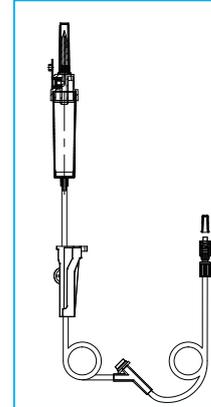

### 1029DF

IV Gravity Set with 15 $\mu$ m filter, air vent, 180cm tubing, rotating luer connector

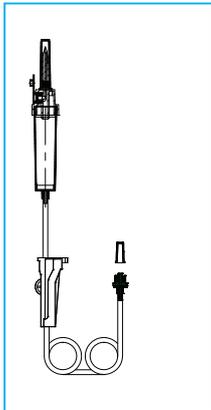

### 1029DF2

IV Gravity Set with 15 $\mu$ m filter, air vent, 240cm tubing, rotating luer connector

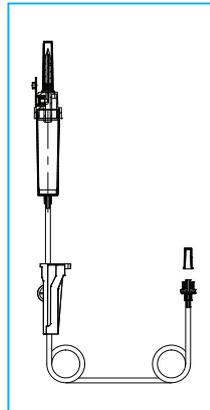

### 1029YDF

IV Gravity Set with 15 $\mu$ m filter, air vent, 180cm tubing, Y-site, rotating luer connector

### 1029DFV1

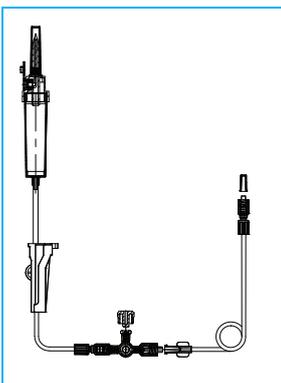

IV Gravity Set with 15 $\mu$ m filter, air vent, 70cm tubing, back check valve connector

### 1029DFV

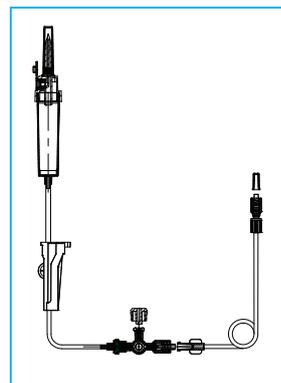

IV Gravity Set with 15 $\mu$ m filter, air vent, 180cm tubing, back check valve connector

## IV Gravity Sets with extension tubing

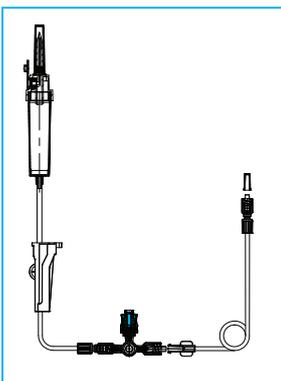

### 1029DFX

IV Gravity Set with 15 $\mu$ m filter, air vent, 180cm tubing, 3-way connector, 120cm extension tubing, rotating luer connector

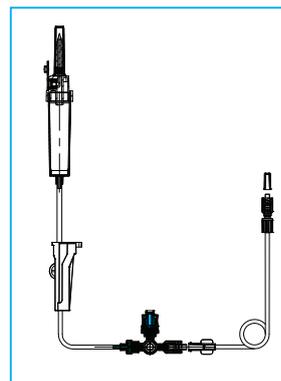

### 1029DFXV

IV Gravity Set with 15 $\mu$ m filter, air vent, 180cm tubing, back check valve, 3-way connector, 120cm extension tubing, rotating luer connector

### 1029DFXMY

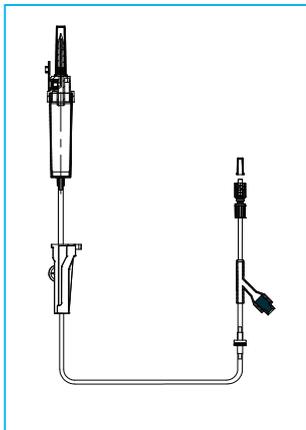

IV Gravity Set with 15 $\mu$ m filter, air vent, 180cm tubing, 3-way connector, needle free access port, 120cm extension tubing, rotating luer connector

### 1029DFXVMY

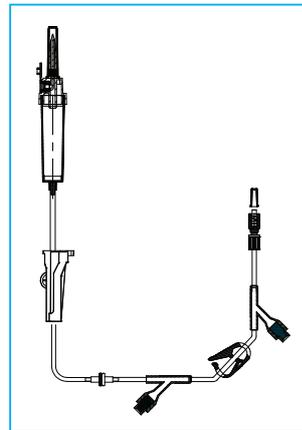

IV Gravity Set with 15 $\mu$ m filter, air vent, 180cm tubing, back check valve, 3-way connector, needle free access port, 120cm extension tubing, rotating luer connector

## IV Gravity Sets with Y-site needle free access ports

### 1048BMY

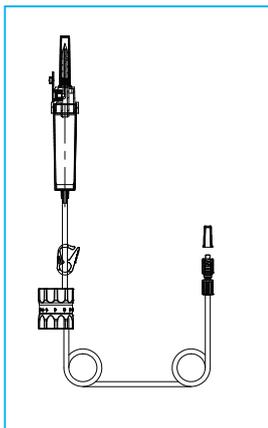

IV Gravity Set with 15µm filter, air vent, needle free access port, back check valve, 185cm tubing, rotating luer connector

### 1048B2MY

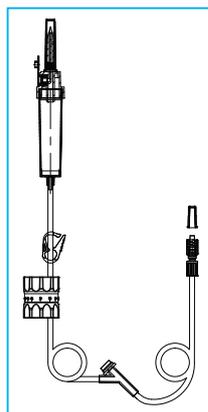

IV Gravity Set with 15µm filter, air vent, two needle free access ports, back check valve, 260cm tubing, rotating luer connector

## IV Gravity Sets with flow dial regulator (mL/hr)

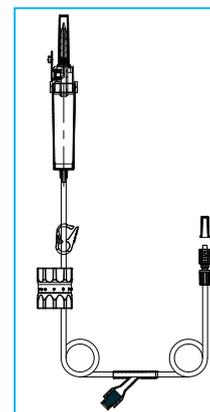

### 1017DF

IV Gravity Set with 15µm filter, air vent, 180cm tubing, flow dial regulator, rotating luer connector

### 1017YDF

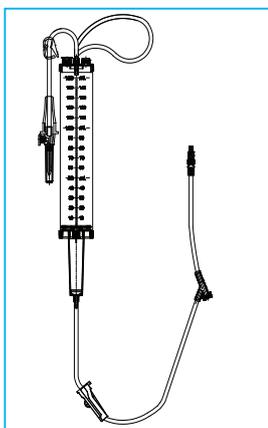

IV Gravity Set with 15µm filter, air vent, 180cm tubing, flow dial regulator, Y-site, rotating luer connector

### 1017DFMY

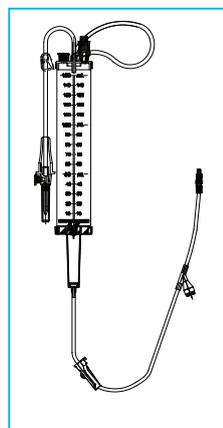

IV Gravity Set with 15µm filter, air vent, 180cm tubing, flow dial regulator, needle free access port Y-site, rotating luer connector

## Burette Sets

### 1016DFSML

Burette Set with Y site, rotating luer connector

### 1016DFMYSML

Burette Set with two needle free access ports, rotating luer connector

Needle free access ports as optional extras

Flow dial regulator (mL/hr) variants

Available with 3-way connector and extension tubing

Product code	Product description	Units per box	NHS Supply Chain code
<b>IV Gravity Sets</b>			
1029DF	IV Gravity Set with 15µm filter, air vent, 180cm tubing, rotating luer connector	50	FSB1293
1029DF2	IV Gravity Set with 15µm filter, air vent, 240cm tubing, rotating luer connector	50	FSB1413
1029YDF	IV Gravity Set with 15µm filter, air vent, 180cm tubing, Y-site, rotating luer connector	50	FKA454
1029DFV1	IV Gravity Set with 15µm filter, air vent, 70cm tubing, back check valve connector	50	FSB1414
1029DFV	IV Gravity Set with 15µm filter, air vent, 180cm tubing, back check valve connector	50	FSB1415
<b>IV Gravity Sets with extension tubing</b>			
1029DFX	IV Gravity Set with 15µm filter, air vent, 180cm tubing, 3-way connector, 120cm extension tubing, rotating luer connector	50	FSB1339
1029DFXV	IV Gravity Set with 15µm filter, air vent, 180cm tubing, back check valve, 3-way connector, 120cm extension tubing, rotating luer connector	50	FSB1416
1029DFXMY	IV Gravity Set with 15µm filter, air vent, 180cm tubing, 3-way connector, needle free access port, 120cm extension tubing, rotating luer connector	50	FSB1417
1029DFXVMY	IV Gravity Set with 15µm filter, air vent, 180cm tubing, back check valve, 3-way connector, needle free access port, 120cm extension tubing, rotating luer connector	50	FSB1418
<b>IV Gravity Sets with Y-site needle free access ports</b>			
1048BMY	IV Gravity Set with 15µm filter, air vent, needle free access port, back check valve, 185cm tubing, rotating luer connector	50	FSB1419
1048B2MY	IV Gravity Set with 15µm filter, air vent, two needle free access ports, back check valve, 260cm tubing, rotating luer connector	50	FSB1420
<b>IV Gravity Sets with flow dial regulator (mL/hr)</b>			
1017DF	IV Gravity Set with 15µm filter, air vent, 180cm tubing, flow dial regulator, rotating luer connector	50	FSB1291
1017YDF	IV Gravity Set with 15µm filter, air vent, 180cm tubing, flow dial regulator, Y-site, rotating luer connector	50	FSB1773
1017DFMY	IV Gravity Set with 15µm filter, air vent, 180cm tubing, flow dial regulator, needle free access port , Y-site, rotating luer connector	50	FSB1772
<b>Burette Sets</b>			
1016DFSML	Burette Set with Y site, rotating luer connector	20	FSB1879
1016DFMYSML	Burette Set with two needle free access ports, rotating luer connector	20	–
