# IV Gravity Sets

- IV Gravity Sets with air vents and 15μm filters
- Available with 3-way connector and extension tubing
- Needle free access ports as optional extras
- Flow dial regulator (mL/hr ) variants
- Burette Set range

# IV Gravity Sets

### 1029DF

IV Gravity Set with 15µm filter, air vent, 180cm tubing, rotating luer connector

### 1029DF2

IV Gravity Set with 15µm filter, air vent, 240cm tubing, rotating luer connector

### 1029YDF

IV Gravity Set with 15µm filter, air vent, 180cm tubing, Y-site, rotating luer connector

### 1029DFV1

IV Gravity Set with 15µm filter, air vent, 70cm tubing, back check valve connector

### 1029DFV

IV Gravity Set with 15µm filter, air vent, 180cm tubing, back check valve connector

# IV Gravity Sets with extension tubing
### 1029DFX

IV Gravity Set with 15µm filter, air vent, 180cm tubing, 3-way connector, 120cm extension tubing, rotating luer connector

### 1029DFXV

IV Gravity Set with 15µm filter, air vent, 180cm tubing, back check valve, 3-way connector, 120cm extension tubing, rotating luer connector

### 1029DFXMY

IV Gravity Set with 15µm filter, air vent, 180cm tubing, 3-way connector, needle free access port, 120cm extension tubing, rotating luer connector
### 1029DFXVMY

IV Gravity Set with 15µm filter, air vent, 180cm tubing, back check valve, 3-way connector, needle free access port, 120cm extension tubing, rotating luer connector
# IV Gravity Sets with Y-site needle free access ports

### 1048BMY

IV Gravity Set with 15μm filter, air vent, needle free access port, back check valve 210cm tubing, rotating luer connector

### 1048B2MY

IV Gravity Set with 15μm filter, air vent, two needle free access ports, back check valve, 260cm tubing, rotating luer connector

### 1048BMYX

IV Gravity Set with 15μm filter, air vent, needle free access port, back check valve, 260cm tubing, rotating luer connector

# IV Gravity Sets with flow dial regulator (mL/hr)

### 1017DF

IV Gravity Set with 15μm filter, air vent, 180cm tubing, flow dial regulator, rotating luer connector

### 1017DFMY

IV Gravity Set with 15μm filter, air vent, 180cm tubing, flow dial regulator, needle free access port  Y-site, rotating luer connector

# Burette Sets

### 1016DFSML

Burette Set with Y site, rotating luer connector

### 1016DFMYSML

Burette Set with two needle free access ports, rotating luer connector

**Needle free access ports as optional extras**

**Flow dial regulator (mL/hr) variants**

**Available with 3-way connector and extension tubing**

| Product code | Product description | Units per box | NHS Supply Chain code |
|---|---|---|---|
| **IV Gravity Sets** | | | |
| 1029DF | IV Gravity Set with 15µm filter, air vent, 180cm tubing, rotating luer connector | 50 | FSB1293 |
| 1029DF2 | IV Gravity Set with 15µm filter, air vent, 240cm tubing, rotating luer connector | 50 | FSB1413 |
| 1029YDF | IV Gravity Set with 15µm filter, air vent, 180cm tubing, Y-site, rotating luer connector | 50 | FSB2214 |
| 1029DFV1 | IV Gravity Set with 15µm filter, air vent, 70cm tubing, back check valve connector | 50 | FSB1414 |
| 1029DFV | IV Gravity Set with 15µm filter, air vent, 180cm tubing, back check valve connector | 50 | FSB1415 |
| **IV Gravity Sets with extension tubing** | | | |
| 1029DFX | IV Gravity Set with 15µm filter, air vent, 180cm tubing, 3-way connector, 120cm extension tubing, rotating luer connector | 50 | FSB1339 |
| 1029DFXV | IV Gravity Set with 15µm filter, air vent, 180cm tubing, back check valve, 3-way connector, 120cm extension tubing, rotating luer connector | 50 | FSB1416 |
| 1029DFXMY | IV Gravity Set with 15µm filter, air vent, 180cm tubing, 3-way connector, needle free access port, 120cm extension tubing, rotating luer connector | 50 | FSB1417 |
| 1029DFXVMY | IV Gravity Set with 15µm filter, air vent, 180cm tubing, back check valve, 3-way connector, needle free access port, 120cm extension tubing, rotating luer connector | 50 | FSB1418 |
| **IV Gravity Sets with Y-site needle free access ports** | | | |
| 1048BMY | IV Gravity Set with 15µm filter, air vent, needle free access port, back check valve, 210cm tubing, rotating luer connector | 50 | FSB2558 |
| 1048B2MY | IV Gravity Set with 15µm filter, air vent, two needle free access ports, back check valve, 260cm tubing, rotating luer connector | 50 | FSB1420 |
| 1048BMYX | IV Gravity Set with 15µm filter, air vent, needle free access port, back check valve, 260cm tubing, rotating luer connector | 50 | FSB2109 |
| **IV Gravity Sets with flow dial regulator (mL/hr)** | | | |
| 1017DF | IV Gravity Set with 15µm filter, air vent, 180cm tubing, flow dial regulator, rotating luer connector | 50 | FSB1291 |
| 1017DFMY | IV Gravity Set with 15µm filter, air vent, 180cm tubing, flow dial regulator, needle free access port , Y-site, rotating luer connector | 50 | FSB1772 |
| **Burette Sets** | | | |
| 1016DFSML | Burette Set with Y site, rotating luer connector | 20 | FSB1879 |
| 1016DFMYSML | Burette Set with two needle free access ports, rotating luer connector | 20 | – |
